Goodbye Winter Hello Spring

March 20th marks the Spring Equinox. Earth rotates on an axis which causes the seasons to change. This is why while it is spring in the United States it is fall in parts of South America.

Student Shout - outs!

" Alejandra thank you for being so kind to me since I've started school. You went out of your way to help me with assignments and homework for math/ physiology. The struggle was real when you helped me understand math, I owe you so much!! I appreciate you for that. " - Thrisha ADN

" Dr. Lazar you're the most intelligent instructor in the world! It amazes me and I'm positive my classmates feel the same way. I appreciate you for all the hard work and dedication you put in into lecturing us so we can pass the NCLEX in the future. Thank you Dr. Lazar."-
